

**TOPIC: TWO-YEAR CASH FUNDED CAPITAL PROGRAM LIST
AMENDMENT– COLORADO STATE UNIVERSITY**

PREPARED BY: TONYA COVARRUBIAS, FINANCE POLICY OFFICER

I. SUMMARY

This item requests approval of a Two-Year Cash Funded Capital Program list amendment and program amendments for Colorado State University (CSU). One (1) project has been added to their cash funded project list. The comprehensive list is included as Attachment A.

II. BACKGROUND

Current law allows governing boards to amend their two-year capital construction lists at any point during the fiscal year, and such amendments are to be submitted to the Colorado Commission on Higher Education (CCHE) and the Capital Development Committee (CDC) for approval or re-approval.

Department and CDC policy and practice is that no Cash Funded project may commence until it has received approval from the Commission and the CDC on the Two-Year list for non-intercept projects. In addition to CDC and Commission Two-Year Cash Funded list approval, a program plan must be reviewed and approved for Intercept projects. Last December, the Commission approved all submitted Two-Year Cash Funded Capital Program lists. They will be approved later this month by the legislature's Capital Development Committee.

III. STAFF ANALYSIS

The CSU list adds one (1) project at a cost of \$3 million making CSU's total projection of cash needs approximately \$300 million. Table 1 displays the amended cash funded projects as reported on the two-year list by funding type.

**Table 1:
Two-Year Cash Funded Capital Program
FY 2012-2014**

CF	\$3,000,000
FF	\$0
TF	\$3,000,000

For these projects, Table 2 displays the breakdown between the academic and auxiliary nature of the projects and whether or not the projects will be financed under the Higher Education Revenue Bond

Intercept Program (C.R.S. 23-5-139). The Intercept program permits schools to issue bonds for capital construction and use either the state's credit rating (opt in), or use their own credit rating (opt out). Academic facilities are those that are considered core to the role and mission of the institution (e.g. classrooms, student services, libraries), while auxiliary facilities are those that are not considered core to the role and mission and exist for some other purpose (e.g. residence halls, recreation centers, parking facilities).

Table 2:
Cash Funded Project Types

	Academic	Auxiliary	Total
Intercept	0	0	<i>0</i>
Non-Intercept	1	0	<i>1</i>
Total	<i>1</i>	<i>0</i>	<i>1</i>

Senate Bill 09-290, allows academic facilities constructed to be eligible for state Controlled Maintenance Funds. Non-Intercept projects will only have their cost projections reviewed in the Two-Year list, while Intercept projects require approval in the Two-Year list as well as program review. In accordance with the two step approval process for cash funded projects, the Department will review all budget documents submitted for Intercept Act cash projects and submit all forms to the General Assembly's Capital Development Committee as they are approved.

The amendment to CSU's Two-Year List is described briefly below:

“University Art Museum Addition” will use \$3 million in donated funds to construct a 6,000 general square foot addition to CSU's existing art museum. The addition will house four (4) new galleries and a classroom for Art History students and outreach programs. The completion of the addition will trigger a gift-in-kind of the Hartford Tandstad collection, including over two hundred (200) pieces of artwork with an estimated value between \$5 and \$20 million. The addition will also allow the museum to host travelling exhibitions. If approved, it is anticipated the project would commence in May 2014 and would be completed in December 2015.

IV. STAFF RECOMMENDATION

Staff recommends that the Commission approve the Two-Year Cash Funded Capital Program list for Colorado State University for submission to the Governor, the Office of State Planning and Budgeting, and the Capital Development Committee.
